

REMARKS

Claims 1-7 were pending in the above identified application. The Examiner required Applicant to elect either Group I (claims 1-4) or Group II (claims 5-7). Applicant provisionally elects to prosecute Group II, claims 5-7, and adds new claims 8-19, also drawn to an article for cleaning. After entry of this response to restriction requirement and preliminary amendment, claims 1-19 will be pending.

Applicant claimed the benefit of priority to U.S. Application No. 09/628,331 (the '331 Appl'n) by providing the required reference to and relationship of this application as a continuation of the '331 Appl'n in the transmittal letter filed with the application on July 23, 2003. Applicant now amends the first sentence of the specification after the title with this information to meet the requirements of 37 C.F.R. §1.78(a)(2)(i). No new matter has been added.

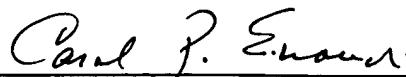

Support for the amendments to claims 1-7 and new claims 8-19 is found in the as-filed claims and at least at the following locations of the written description: page 4, lines 2-4, 8-11, and 19-22, page 5, lines 1-5, 10-11, and 14-20, and pages 6-11, examples 1-6, and formulas 2 and 4-7 of example 7. Accordingly, no new matter has been added.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,
